

"At Easyprint T-Shirts Limited, we are steadfast in our mission to lead in the B2B market with a commitment to high-quality, ethically produced, and environmentally sustainable printed apparel and bags. Our dedication extends beyond merely meeting current standards; we continually strive to set new benchmarks in sustainable practices.

We are proud to have been voted as a Top Supplier in the Sourcing City awards, achieving a top 25 ranking in 2022 and advancing to the top 10 in 2023. These prestigious awards, recognised throughout the Promotional Industry, are a testament to our hard work and dedication to quality and service.

Complementing our efforts in sustainability, we have been awarded the BPMA's StepForward Pledge, reflecting our proactive approach in integrating sustainability within our products, operations, and the communities we serve. This award signifies our commitment to continuously track and enhance our sustainability performance, contributing to the promotional merchandise industry's response to environmental challenges.

As specialists in bespoke printing solutions for businesses, we offer a range of eco-friendly printed bags and sustainable apparel. As a 4-Pillar SEDEX approved company, our commitment to fair labour practices and environmental stewardship is unwavering. We are dedicated to minimising our ecological footprint through responsible sourcing, efficient manufacturing processes, and initiatives that promote recycling and waste reduction. Our collaborations with NGOs and support for initiatives aiding ex-sex trafficked workers and their families demonstrate our belief in corporate social responsibility. We leverage our business to make a meaningful impact, fostering positive change in society and the environment.

Driven by innovation, we embrace cutting-edge eco-friendly technologies and sustainable practices in the B2B printing industry. Our goal is to provide products that are not only of exceptional quality but also exemplify our commitment to environmental stewardship and ethical manufacturing.

Easyprint T-Shirts Limited is more than just a supplier; we are a committed partner in our clients' success. Our participation in the BPMA's StepForward Pledge and our achievements in the Sourcing City awards place us in a network of forward-thinking businesses, all contributing to a low carbon future. We are dedicated to supporting our clients' success, contributing to a healthier planet, and ensuring a positive impact on society through our sustainable and ethical business practices."
